

Data sheet Product ICK BGA 37 x 37 x 6

Heatsinks and active heatsinks for processors>Heatsinks for BGAs

37 x 37 x 6 mm, for IC design BGA and others

Features

way of fixation:	<ul style="list-style-type: none"> • therm. conductive foil • therm. cond. adhesive
socket:	universal
suitable for processor type:	universal
width:	37 mm
height:	6 mm
plate thickness:	1.8 mm
length:	37 mm
thermal resistance:	15.7 - 6 K/W
dissipation loss:	9.5 W
surface:	black anodised

Technical Drawing
